Program Support

The following are ways in which you can help our LIFE Teen program this year. Please check any that you would like to participate in, and a member of the LIFE Teen team will contact you.

Retreat Cooking Team

***This is a great ministry if you are looking to go up north for a weekend during the school year and serve our teens in one of their favorite activities, eating. This ministry involves coordinating with a team that will plan menu, buy supplies and cook the meals for the fall and spring retreats.

LIFE Night Dinner Team

***This ministry involves helping to plan a meal for the teens after a Sunday Night LIFE Night.

LIFE Night Dinner Team Coordinator

***This ministry involved coordinating people to supply meals and snacks for the teens after the Sunday Night LIFE Nights.

Sunday Night Special Event Cooking Team

***Many times we have events where we would like to offer food to the teens and need a team of people that can help a few times a year. The events include a Super Bowl Party, Christmas Dance and Mystery Dinner Theater, to name a few examples.

Weekend Retreat Parent Pot-Luck Dinner Team

***Upon returning from the weekend retreat, we offer a dinner for the teens and their families. We need a team of people that can help prepare the facility for the dinner and help coordinate the dinner as it is going on.

Administration

***This involves updating our database of teens involved in the program. This would be done twice a

month.

___ Offer Home for Teen Activities

***Twice a year we offer parties for the teens that are held off campus and we are always looking for homes that have spacious backyards that accommodate large groups of teenagers.

___ Offer Home or Cabin for LIFE Teen Core Team Retreats

***Once a year the St. Theresa LIFE Teen Core Team of volunteers has a retreat where we spend time in prayer and plan our upcoming year. We are always looking for places to hold these retreat for our volunteers.

In addition to these ways in which you can support our program, we also have ways in which you can support this ministry financially:
