

St. Theresa Parish LIFE Teen

Summer 2010

Appeal, correction, honesty, law, fair treatment...in other words, justice. It something that we all want, from our school work, how we are treated with our friends, to the outcome of our sporting events. Imagine a world without justice. This semester we are going to be focusing on the sanctity of life, what it means to be human, and how we are to treat each other. Alpha meaning beginning, and Omega meaning end, is what Jesus called himself, the Alpha and the Omega, the beginning and the end. We will be looking at what life means when it begins, all the way until it ends, and everything in the middle. The challenge will be great, are you ready to join the calling of Project: Alpha Omega
